About PT Telkom Indonesia (Persero) Tbk

PT Telkom Indonesia (Persero) Tbk ("Telkom") is the largest telecommunications and network provider in Indonesia. The company offers a wide range of network and telecommunication services, including fixed wireline connections, cellular services, network and interconnection services, as well as internet and data communication services. Beside telecommunication services, it also operates multimedia businesses such as content and applications, completing its business portfolio which includes Telecommunication, Information, Media, Edutainment and Services (TIMES). Its shares are traded on the Indonesia Stock Exchange ("IDX") and the New York Stock Exchange ("NYSE"), using the TLKM and TLK tickers, respectively.

About GTA

GTA is an innovative, full-service communications company dedicated to enhancing the lifestyles, productivity and future of Guam's residents, businesses and government agencies. GTA has been serving Guam for over 40 years with an integrated, quadruple-play platform i.e. Wireless, Broadband, Pay-TV and Fixed Phone, supported by comprehensive network infrastructure. This demonstrates GTA's commitment to building and maintaining a world-class communications infrastructure for Guam.

About Telkom USA

Telkom USA was established in December 2013 and is 100% owned by PT Telekomunikasi Indonesia International (Telin). Telin is a sub holding company of Telkom Indonesia which focuses on International Business Portfolios.

About Advantage Partners

Advantage Partners, Inc. is the service provider to several private equity funds ("AP Funds"). AP Funds, with support from Advantage Partners, has executed investments in more than 50 companies to date in a wide variety of industries, including telecoms, consumer products/services, industrials and distribution, both in Japan and in other countries.
